MEDICAL SUMMARY & CASE OVERVIEW

Severe flooding in Assam has displaced over 85,000 people across 14 districts. Government medical camps are severely under-resourced, lacking basic wound care supplies, oral rehydration salts, antibiotics, and waterborne disease treatment kits.

This fund will procure and deliver emergency medical kits including:

- 500 First Aid Kits (bandages, antiseptics, tourniquets)
- 1,000 ORS sachets and water purification tablets
- Antibiotics and anti-diarrheal medications for 2,000 patients
- 50 Emergency trauma bags for field medics

Items will be dispatched within 48 hours of funding and distributed by trained volunteers from Gauhati Medical College in coordination with state authorities.
